Whale Watch Cruise

February 16, 2002

Meet at the Yacht Club at 9:30 AM.

Pick up additional crew members!

Leave for open seas at 10 AM.

This is our 1st cruise of the year. Although some of our members aren't comfortable taking their boats out to sea in February, we should have enough boats to take everyone!

Come down to the Club & sign up your boat **AND** how many additional crew you can take **OR** how many of you would like to go on other boats (half the fun of taking others is the snacks/food they bring!) ET

Note: If you cruise on another boat, ask the captain what you should bring or donate!

*We've Signed On
For Another Big
Year with BoatU.S.!*

The BoatU.S. Cooperating Group Program has proven so popular with members that club officers are renewing our "partnership" for another year. Because of this special arrangement, you get 50% off when you join the nation's largest Association of recreational boat owners. You pay one-half of the regular BoatU.S. dues of \$19.00 - only \$9.50 a year!

If you're already a BoatU.S. Member, you can now renew your Membership at the low \$9.50 rate.

BoatU.S. Membership benefits include:

- An effective lobby that fights unfair taxes, fees, and government regulation that single out boat owners.
- A 700 page Discount Equipment Catalog, plus special discounts and Member Rewards with purchases.
- Discounts on fuel, overnight slips, or repairs at more than 600 marinas.
- Low Cost, high protection boat insurance, including special programs for trailerable boats and PWC's
- On-the-Water Towing, with your choice of service levels — from \$50 per incident (free with Membership) up to Unlimited Service — provided by the nations largest towing network. TowBoatU.S.!
- *Boat/U.S. Magazine* — a full year's subscription is included with Membership!

Contact Hal Dean for a BoatU.S. Membership application. If you are renewing your BoatU.S. Membership, be sure to mention our Co-op Group # GA829464 to get the \$9.50 rate.
