WE NEED YOU!

It's not too early for all you members to be thinking about how you can contribute to our club. No, I'm not talking about money (this time). I'm talking about your valuable time.

You may have noticed on Page One that quite a few events have been scheduled. In order for these events to succeed, we need sponsors— someone to host the parties, the cruises, the celebrations.

We also need people to man the club for a few hours on weekends during the summer months. For doing this, you are rewarded with a title: Officer of the Day!

To paraphrase a famous quotation, ask not what your club will do for you; ask rather what you can do for your club. Check the bulletin board in the club, and when the sign-up sheets show up, ***VOLUNTEER!***

And, if you don't....well...we know where you live.
